BRAZOS COUNTY EXHIBIT.

An Appeal to All to Help.—The Ladies Are Requested to Send Flowers.

Mr. F. W. Yeager who will have active charge of the agricultural exhibit at the A. and M. college next week is very much encouraged over the prospect of a good exhibit. However, he says that everybody in Bryan and Brazos county who can show anything good, it is their duty to see that their exhibit reaches either the Farmers' Union warehouse or College.

Don't think because your neighbor is going to help it will be useless for you to do anything. Such indifference will never develop a county or organize a booster club. Mr. Yeager would like to have a nice assortment of fruit, so if you have anything in this line send it along.

To the Ladies,

Mr. Yeager would appreciate it very much if the ladies would send some nice flowers and ferns each day to decorate and beautify the exhibit. If you cannot bring or send them, phone Mr. Yeager and he will call for them.

DAVIDSON SPOKE BRIEFLY.

One Hundred and Fifty Men and Boys at Station to Hear Him.

It had been announced that Gen. R. V. Davidson would deliver a short speech from the southbound "Hustler" this afternoon and about 150 men and boys gathered at the station to hear him. The train did not stop over three minutes consequently he had time to say but a very few words.

When the train arrived Judge J. W. Doremus was standing beside Gen. Davidson on the car platform and introduced him as the "Man who had made the greatest officer Texas ever had, who had made a great campaign against every form of calumny and who on tomorrow would be elected governor of the greatest state in the Union (cheers)."

Gen. Davidson said: "My friends, in addressing an audience of Brazos county people, I always speak to them as friends, for in all the campaigns I have made in the past, the people of Bryan and Brazos county have been loyal to me. I am now returning to my home at the close of a long and heated campaign—here the train pulled out and the address was cut short. There was some cheering and one gentleman shouted "Davidson by a hundred thousand majority!"

DRY IN THE WEST.

Take Years to Recover From Its Terrible Devastating Effects.

A most distressing report has been received here of the fearful drought conditions that prevail in the Abilene country. A gentleman in this city received a letter this morning from a friend in Abilene in which he says: "The fearful drouth is still on with no prospects for crops of any kind this year. It will take us years to recover from the effects of this terrible drouth."

Of course the people of that dry and arid region are to be pitied, but their condition is largely their own fault. Right here in just a few hundred miles of them is the fairest and most prosperous country that the glorious sun in his flight from Areturus to the milky way, ever looked down upon. The rains fall in due season, the flowers bloom perennially, and the cool breezes from the gulf make life one grand sweet song. The bountiful harvests are ripening to the hand of the husbandman and prosperity abides in the doorway of each sovereign home. O, glorious land of health, of happiness and beauty. Come to Brazos county.

the office of the secretary of the City of Bryan up to 12 o'clock noon on said July 29th, for the use of said city funds. The award to be made to the bank, firm or individual, offering the highest rate of interest on daily balances for the use of said money. The successful bidder will be required to furnish a good and sufficient bond in whatever sum agreed upon between said city council and said successful bidder.

Attest: J. T. MALONEY,
JOHN B. HINES, Mayor of Bryan.
City Secretary. 201
